Registration is Open for LEDucation 2019 Trade Show and Conference

NEW YORK, November 30, 2018 — The Designers Lighting Forum of New York (DLFNY) is pleased to announce online registration is open for LEDucation 2019. This annual architectural and commercial lighting trade show and conference is marking its 13th year, and will be held March 12-13, 2019 in New York City at the NY Hilton Midtown.

LEDucation 2019 promises to be another record-breaking year. The sold-out show floor will feature over 275 leading manufacturers of architectural lighting, controls and related technologies from around the globe showcasing their latest products and technologies to an estimated 6,000 attendees in the lighting industry. The conference will offer attendees an exclusive opportunity to learn from top industry experts and earn continuing education credits.

LEDucation 2019 will take place Tuesday, March 12, 2019, 10:00 a.m – 7:00 p.m and Wednesday, March 13, 2019, 9:00 a.m – 5:00 p.m. The seminar schedule will be announced at a later date.

Advance registration is open at LEDucation.org

About LEDucation

Organized by the Designers Lighting Forum of New York, LEDucation is the ultimate marketplace for solid-state lighting innovations, giving industry professionals a chance to experience new technologies as well as continue their education through a wide range of accredited seminars. LEDucation is a non-profit event, and its proceeds help stimulate future LED advancements by supporting a variety of grants, scholarships and lighting programs. LEducation.org

About the Designers Lighting Forum of New York

The Designers Lighting Forum of New York is committed to exploring and presenting the power of lighting in design. Founded in 1934, the Designers Lighting Forum is a not-for-profit organization, led by a volunteer Board of Managers and sustained by member dues and the generous support of corporate sponsors. They enthusiastically provide designers, architects, manufacturers and their representatives, contractors, educators, and students the opportunity to meet and experience the wonder of lighting in New York City and beyond. The DLFNY also supports formal lighting education through contributions to local universities and design schools, as well as national funds. dlfny.com
