Finelite welcomes you to visit them at their GB 600 booth this year to meet with their dedicated team, see all of these innovations in person, and learn first-hand about what makes Finelite different.

Delivering the Finelite Difference
- 10-year performance-based warranty
- 10-working day shipping on standard orders
- Dimming standard
- Replaceable LED light array
- Shares the same LED technology as our other LED luminaires for consistency across luminaire families

About Finelite
Finelite, an independent business of Legrand, has delivered award-winning innovations in lighting technology, design, manufacturing, and customer service for nearly 30 years. Finelite’s core mission is to deliver tailored lighting solutions for office, healthcare, educational, multi-level residential and retail market segments. Setting new standards for performance and sustainability, Finelite continues to work in partnerships with California Energy Commission, New York State Energy Research Development Authority, and others to develop best practices in lighting strategies to achieve maximum value. At Finelite’s U.S.-based manufacturing facility, they continuously examine ways to eliminate waste through product design, lean manufacturing, corporate practices, and have been nationally recognized for these sustainability efforts.
